The Middletown Township Lions Club
PO BOX 75
Middletown, NJ 07748
ATTN: Al Siano, President

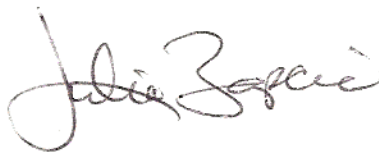

Dear Lion Al and the Pride of Middletown,

On behalf of CPC Behavioral Healthcare, and all the neighbors and citizens we serve, I thank you and the Middletown Lions for your generous gift in support of our work.

We are honored by your recognition of CPC's service to people in need. But then, the Lions know something about service. Your rich, international history of providing comfort and aid to the blind and sight-impaired-- including all of the work you are currently undertaking with so much enthusiasm and devotion -- makes your support very special, indeed.

Again, thank you, and all the best to you and to those you serve.

Very truly yours,

Julia G. Zapcic
